

## Golden Stage 5W-30 SP

Description Golden Stage 5W-30 SP, A fuel-saving engine oil, developed according to the latest techniques, based on specially selected high-quality base oils, to which advanced additives have been added to obtain the following properties:

- a lower fuel consumption
- a high and stable viscosity index
- a good resistance against shearing
- a very fast cold start, even at very low temperatures
- a safe lubrication film at very high temperatures
- a very good detergency and dispersion power
- a very strong protection against wear, corrosion and foaming.

Application This universal engine oil is suitable for both newer and older petrol engines of (hybrid) passenger cars, mainly from Asian and American brands, which are equipped with the latest technologies.
